

Zetwerk Case Studies

Client

A major Indian infrastructure conglomerate with operations in engineering, construction, manufacturing and technology

Challenge

The client was in search of a manufacturing partner to produce fabricated structures at competitive rates and meet demanding project timelines

The Zetwerk Effect

Zetwerk leveraged its pan-India supplier network to deliver 10,000+ MT of structures such as pier cap shutters, TAB, finger structures and MS Liners for the client. Through its trademark transparency, project management techniques and rigorous quality control, Zetwerk helped shorten timelines and reduce supply chain uncertainties, delivering the project requirements ahead of schedule.
