

## Zetwerk Electronics Expands Footprint with New Facility in Devanahalli, Bengaluru

**Bengaluru, Karnataka – June 11, 2025:** Zetwerk Electronics, India's leading EMS company, today marked a significant milestone with the bhoomi pooja of its upcoming manufacturing facility in Devanahalli, Bengaluru. This new investment further strengthens Zetwerk's commitment to supporting India's vision of becoming a global manufacturing hub.

The facility will enhance Zetwerk's capabilities to serve diverse high-growth ESDM sectors such as industrials, telecom, auto, consumer durables, and strategic electronics. Bengaluru's vibrant industrial ecosystem, rich talent pool, and strategic connectivity continue to make it a leading destination for cutting-edge manufacturing investments.

**Rahul Sharma, Managing Director, Precision (Electronics), Zetwerk,** added: *"Bengaluru has long been at the heart of India's industrial and innovation ecosystem. This facility will play a vital role in expanding our manufacturing capabilities and delivering enhanced value to our customers. We look forward to serving them with even greater speed, scale, and precision."*

This expansion is further supported by valued partnerships with industry leaders, reflecting the confidence in Zetwerk's ability to deliver consistent quality and reliability.

**Zohara Khan, CEO, IPEC Pvt Ltd.,** said: *"Zetwerk has been an excellent partner and consistently exemplified reliability and precision in execution. The launch of this new facility is a bold investment in India's manufacturing future, enabling high-quality, globally competitive production. We're energised by the possibilities it unlocks for innovation, collaboration, and transformative industry growth."*

This new facility adds to Zetwerk's rapidly growing network of specialized factories across India, aimed at creating localized, cost-effective, and scalable manufacturing infrastructure for high-value sectors. The company continues to invest in automation, sustainability, and workforce upskilling to ensure long-term operational excellence and global competitiveness.

The bhoomi pooja ceremony marks the beginning of another chapter in Zetwerk's journey to reimagine global supply chains from India—one facility at a time.

**About Zetwerk:**

[Zetwerk](#) is a technology-led global manufacturing company that helps organizations catalyze ideas into products. With 20+ owned facilities and a network of 5,400+ suppliers across 25 countries, Zetwerk manufactures products for sectors including Energy, Electronics, Capital Goods and Defence & Aerospace. Zetwerk's proprietary manufacturing operating system, Zetwerk OS, orchestrates complex supply chains to provide absolute transparency and faster time-to-market. Headquartered in Bengaluru, Zetwerk serves over 1,100 customers, including 98 of India's Fortune 500 companies.
